**Speaker Photo Submission Suggestions**

*images provide examples of the suggested photo style.*

To help us create a consistent and professional presentation for the event, we kindly suggest providing a **chest-up photo**. Below are some tips and sample photos for your reference:

1. **Framing:** A chest-up shot, framed from the chest to the top of the head, works best and ensures your photo fits well with the event materials. (Refer to the sample photos above for guidance.)
2. **Background:** Use a plain or neutral background. Avoid busy or crowded scenes.
3. **Format and Size:** Please submit your photo in **high-resolution** JPG or PNG format, with a file size of no more than **10 MB**.
4. **Attire:** Formal or business casual attire is recommended.

We truly appreciate your contribution—it helps us create a polished and visually appealing presentation.
